Dear Dr. Ramey:

Several times a year we invite distinguished guest speakers to address some 300-500 employees of the Central Intelligence Agency and of other agencies of the Intelligence Community on topics of concern in various fields, including science, diplomacy, and public policy. Our objective is to improve understanding as well as provide an intellectual stimulus for employees. Among recent guests have been Attorney General Griffin B. Bell, Mrs. Barbara Tuchman, and Mr. Jack Anderson. I believe the program, now in its sixth year, has been very successful.

It would give me a great deal of pleasure to have you serve as the CIA Guest Speaker on Wednesday, 10 October 1979, at 3:00 p.m. in our Headquarters Auditorium. The topic I have in mind is "The Role of Women: A Biophysical View."

The Program consists of a formal lecture of approximately 45 minutes, followed by a 30-minute question period. Lectures are usually scheduled 3:00 to 4:15 p.m. The Guest Speaker honorarium is \$500.

It would be a great pleasure for all of us, and a personal one for me, to have you accept this invitation. Our Special Programs Officer, [redacted] will be pleased to discuss any aspects of the arrangements with you. She can be reached on [redacted]

Yours sincerely,

Stansfield Turner
